The Comprehensive Team of the Office of the Leading Group for Promoting the Construction of the "One Belt and One Road" organized a discussion with experts from McKinsey Consulting Company

2017/11/06 Regional Opening Department

Recently, McKinsey Consulting Company conducted on-site research and visits on my country's investment and economic and trade cooperation with Africa, and formed research results. In order to gain an in-depth understanding of the relevant content of this research result, on the afternoon of the same day, relevant comrades from the Western Department, Foreign Investment Department, and International Department of the Comprehensive Organization Committee of the Office of the Leading Group for Promoting the "Belt and Road" Construction held discussions with members of the research team of McKinsey Consulting. The two sides conducted in-depth discussions on the investment, economic and trade cooperation, and park construction of Chinese-funded enterprises in Africa. Zhai Dongsheng, deputy leader of the comprehensive group of the "Belt and Road" construction leading group office and deputy director of the Western Department of the National Development and Reform Commission, presided over the symposium.
